The Honorable Roman L. Hruska  
United States Senate  
Washington, D.C.

Sir:

A resolution, S.J. 28, has been proposed by Senator McClellan which would allow the President to proclaim National Coin Week the fourth week of April each year. Currently this resolution is under study in the Judiciary Committee of the Senate. Congressman Gathings has advanced a similar proposal in the House.

Since this year National Coin Week falls during the period of April 22-29, we would like to request your assistance to get this resolution on the floor and passed as soon as possible so that a proclamation may be made this year.

Thank you very much for your time and consideration of our request.

Sincerely yours,

Rick & Virginia Bronson
